

We hereby confirm and undertake the following:

1. We have duly obtained the voluntary, explicit and informed consent of the client authorising us to upload and share the client's KYC record with the Central KYC Records Registry (CKYCRR).
2. The client has acknowledged that their KYC record includes Officially Valid Documents (OVD) provided by them and personal information such as name, address, date of birth, PAN and other demographic details.
3. The client has acknowledged and given consent to verify and validate their PAN and submitted OVD along with related demographic information from the issuing authority and/or DigiLocker, wherever applicable.
4. Where the client has agreed to allow the RE to share the complete Aadhaar/VID number with CKYCRR, we confirm that:
 - a. Prior to obtaining consent, the client was informed of:
 - Alternate means of identification through other OVDs like Passport, Driving License, Voter's Identity Card, Job Card issued under the National Rural Employment Guarantee Act, and letter issued by the National Population Register.
 - Proposed authentication of Aadhaar/VID number by CKYCRR (acting as an Authentication User Agency under the UIDAI framework).
 - The fact that Aadhaar/VID number, along with demographic information, shall be validated with UIDAI.
 - The nature of information that may be shared by UIDAI upon authentication.
 - The Aadhaar/VID validation status (Yes/No) being made available to the reporting entities having a financial relationship with the Aadhaar/VID number holder.
 - b. The client was informed that submission of Aadhaar/VID is voluntary and that services shall not be denied for non-submission of Aadhaar where alternative identification documents are provided.
 - c. The consent obtained for Aadhaar authentication is explicit, informed, specific, and purpose-limited, and is not in the nature of blanket or umbrella consent.
 - d. The consent notice was communicated in the local language, and the client was provided the option to access the consent contents in English or any language specified in the Eighth Schedule to the Constitution of India, wherever applicable.
 - e. Appropriate measures were made available for communication of consent-related information to persons with visual or hearing impairment, where required.
5. We confirm that all actions undertaken by us in relation to upload and Aadhaar/VID authentication, wherever applicable, are strictly pursuant to and limited by the specific

consent obtained from the client and in accordance with applicable regulatory and CKYCRR guidelines.
